boy

In the packages are some small diamonds -
more forthcoming.

Thanks for reaching out to Dapras at
Citibank. Two questions:

① Can he assist with potential warrant
sales of our warrants and others?

② Can he introduce us to ~~other~~ other bankers
at smaller shops if he has no interest?

Per your question ~~if~~ I hope to talk with Latham
re warrant issues today / tomorrow. Peter B. is no longer
there, but I am supposed to be on a call with someone
in NY or DC on the regulatory side about warrant sales. On
that score, I assume the Robins bill is about that
issue too. I will make sure it gets paid.

We are working on Apollo PPM, summary of
Transition, etc. . . .

Thanks, and chill!! More diamonds bigger ones,
I am told, are on the way to share with Citi. . .
